Sir,

Subject:- Industrial Suburbs - Survey and ~~Settle~~ Measurement of lands - phodi charges

---

With reference to your letter No 8366 dated 21-2-45 and subsequent reminders for sending up declaration statements in respect of lands required for the new Industrial Suburb, I have the honour to state that the work is held up on account of phoding and measurement of lands included in the marginally noted inam villages and until this is done, the

Jodi Kempapur Agrahara Jodi Jedahalli. Agrahara Dasarahalli & other villages

the declaration statements cannot be got ready The Survey Assistant Superintendent has intimated that he is unable to proceed with the measurement and phodi work for lack of funds to pay the coolies

2 In G O No R S 307-12/Rly F 74 C L 44-45 dated the 5th Spetember 1944, a sum of Rs 540/- has been placed at the disposal of the Amildar, Bangalore North Taluk, towards the cost of survey and measurement of the lands in question and under instructions from this office, the Amildar, Bangalore North, prepared a Payee's Receipt for Rs 540/- accordingly and sent it to the Comptroller for preaudit It is reported, however, that the Comptroller returned the Payee's receipt without passing it for payment with instructions to send it to the Auditor, Mysore Railways, for passing the bill, on the ground that the Railway Department had to bear the entire cost as per G O referred to above The Auditor, Mysore Railways, to whom the bill was sent is reported to have returned it with the observation that it cannot be passed for payment in the absence of vouchers No vouchers can be produced unless payments are actually made for which funds are absolutely necessary It is thus seen that the Amildar has not been able to get the amount sanctioned by Government and consequently the survey

work has been held up As this is a very urgent matter and the survey and phoding work cannot be completed expeditiously unless the amount required for expenses is placed at the disposal of the Amildar, I request that an imprest of Rs 500/- may be immediately placed at my disposal for meeting this expenditure subject to recoupment out of the funds allotted for the formation of the Industrial suburb in the usual course This proposal is made only to save delay and push through the measurement work without further loss of time, so that the declaration statements may be prepared and submitted to Government

A

I request the favour of very early orders in the matter.

I have the honour to be,
S i r,
Your most obedient servant,

Deputy Commissioner,
Bangalore District
